

WE STAND WITH UKRAINE !

Warsaw, Poland, 2 nd of March 2022

DEAR INDUSTRY COLLEGUES

SITE Poland condemns the act of aggression from Russia to free country UKRAINE.

In a show of support for the ukrainian nation Members of SITE Poland stand in solidarity with Ukraine and have joined the relief effort

Our thoughts are with our colleagues in the MICE industry who, instead of organising great events, are taking up arms to protect their country, running away to keep their children safe.

We encourage MICE industry professionals to provide financial support to organisations that are working to help Ukraine. One of these organisation can be Polish Humanitarian Action <https://www.pah.org.pl/en>

The situation is dynamic, so it is difficult to make a final decision now, what entity should get the support first. One thing is important, we feel obliged to ask you for this support, we have to act, we have to do it right now. Every contribution makes a difference.
